

Your favorite brands are partnering with Google Home.

Google Home works with Google and Matter devices, plus thousands of devices from your favorite brands, so you can customize your smart home your way.

So, look for smart devices that have the “Works with Google Home” or “Works with Matter” badge.

Buy smart devices for the entire household.

Smart home solutions with Matter.

Discover what your smart home can do with Matter-enabled devices from Google and your favorite brands.

The image shows two women in a bright kitchen. One woman is in the foreground, smiling and holding a glass. A speech bubble contains the Matter logo and the word "matter". Below this, there are two promotional boxes. The left box features the Nest Mini smart speaker and the text "Nest Mini" followed by a "Shop Now >" link. The right box features the Nest Audio smart speaker and the text "Nest Audio" followed by a "Shop Now >" link.

The image is a composite of two photographs. The left photograph shows a Netatmo Smart Indoor Camera, a small cylindrical device with a lens at the top, mounted on a vertical wooden panel. The right photograph shows a hand pressing the circular button of a Nuki Smart Lock 3.0, which is attached to a white door with horizontal panels.
