Google nest speakers

Are we able now to link a separate YouTube account to stream music instead of using our main google email that is linked to Google home account?!?! If not we need this to be available asap!

✓ Taal van van Google Nest hub verandert voortdurend

Wat moet ik doen om de taal van mijn Google Nest hubs naar het Nederlands te veranderen? Mijn Google account staat nochtans in het Nederlands en op België en Google assistent is ook op Nederlands ingesteld. Toch zetten mijn hubs zich niet in de juist...

✓ Follow up notifications.

Hi there,We are developing a smart lock for consumer use. We use cloud-to-cloud Google Actions in order to support commands such as unlock. It takes some time (say 20 seconds) for acknowledgements (e.g 'unlock successful) to reach to our server. We h...
